## CATCHING LIZ

This is how it started. I was out with a friend of mine called Paul, I invited him back with me for coffee expecting Liz to be in bed. So you can imagine our faces when we caught Liz with an empty bottle of wine and a vibrator, watching a porn film. She hadn't heard us come in and her face was a picture when she saw us.

Liz jumped up and began making excuses at the same time as trying to make herself decent, which was quite impossible. We all sat down with a drink, Paul and I on the sofa and Liz in the chair opposite. The

conversation soon turned back to sex with Paul asking about the video Liz had been watching. I encouraged Liz

say he was bringing Tony back for a drink and said I should put on something sexy, I had to agree as Tony is 22, dark and tanned – just the kind of young stud I love.

I love leather and have a large collection of sexy outfits and decided to put on a long, tight leather dress, black leather pants and leather suspenders, seamed stockings, long leather gloves and very high heels, and

I topped it all with bright red lipstick as I hoped to be sucking on something later! When they arrived, Tony's eyes nearly popped out! I asked Dave to fix us a drink, and when Dave came back Tony and I were kissing and I had Tony's hard

cock in my hand, and I was wanking him. I sucked Tony's cock deep into my mouth hoping to taste his spunk.

Dave loves me teasing my young toyboy's cock and was busy wanking

his own and loving every minute of it. I was getting really turned on and soon felt him spunk in my mouth, I let it run down my gloved hands for Dave to see and he soon spurted on the carpet. Then I dressed in thigh length boots and PVC and they both fucked me. Jane, Scotland

I wouldn't call that teasing exactly! luv Julia Jones XX

long sexy kiss. I started to stroke her bum and then my fingers were tracing her pussy lips and gently playing with her clit. **Liz was soaking and her lips parted easily as my fingers slid in and out making squelching sounds.** I noticed she had taken out Paul's cock and was teasing it's tip with her tongue and tracing it's length with her fingers. I undressed,

All this time she was sucking greedily on Paul's cock making loud noises. Paul was just about to come when Liz stopped, removed Paul's pants and climbed onto his cock. **I gave her my cock and she licked her own juices off.**

Liz started to orgasm loudly. She forced herself down onto Paul's stabbing cock and

rubbed her clitty against him. Paul called out that he was going to come and with a loud moan, shot wad after wad of creamy spunk deep into Liz's cunt.

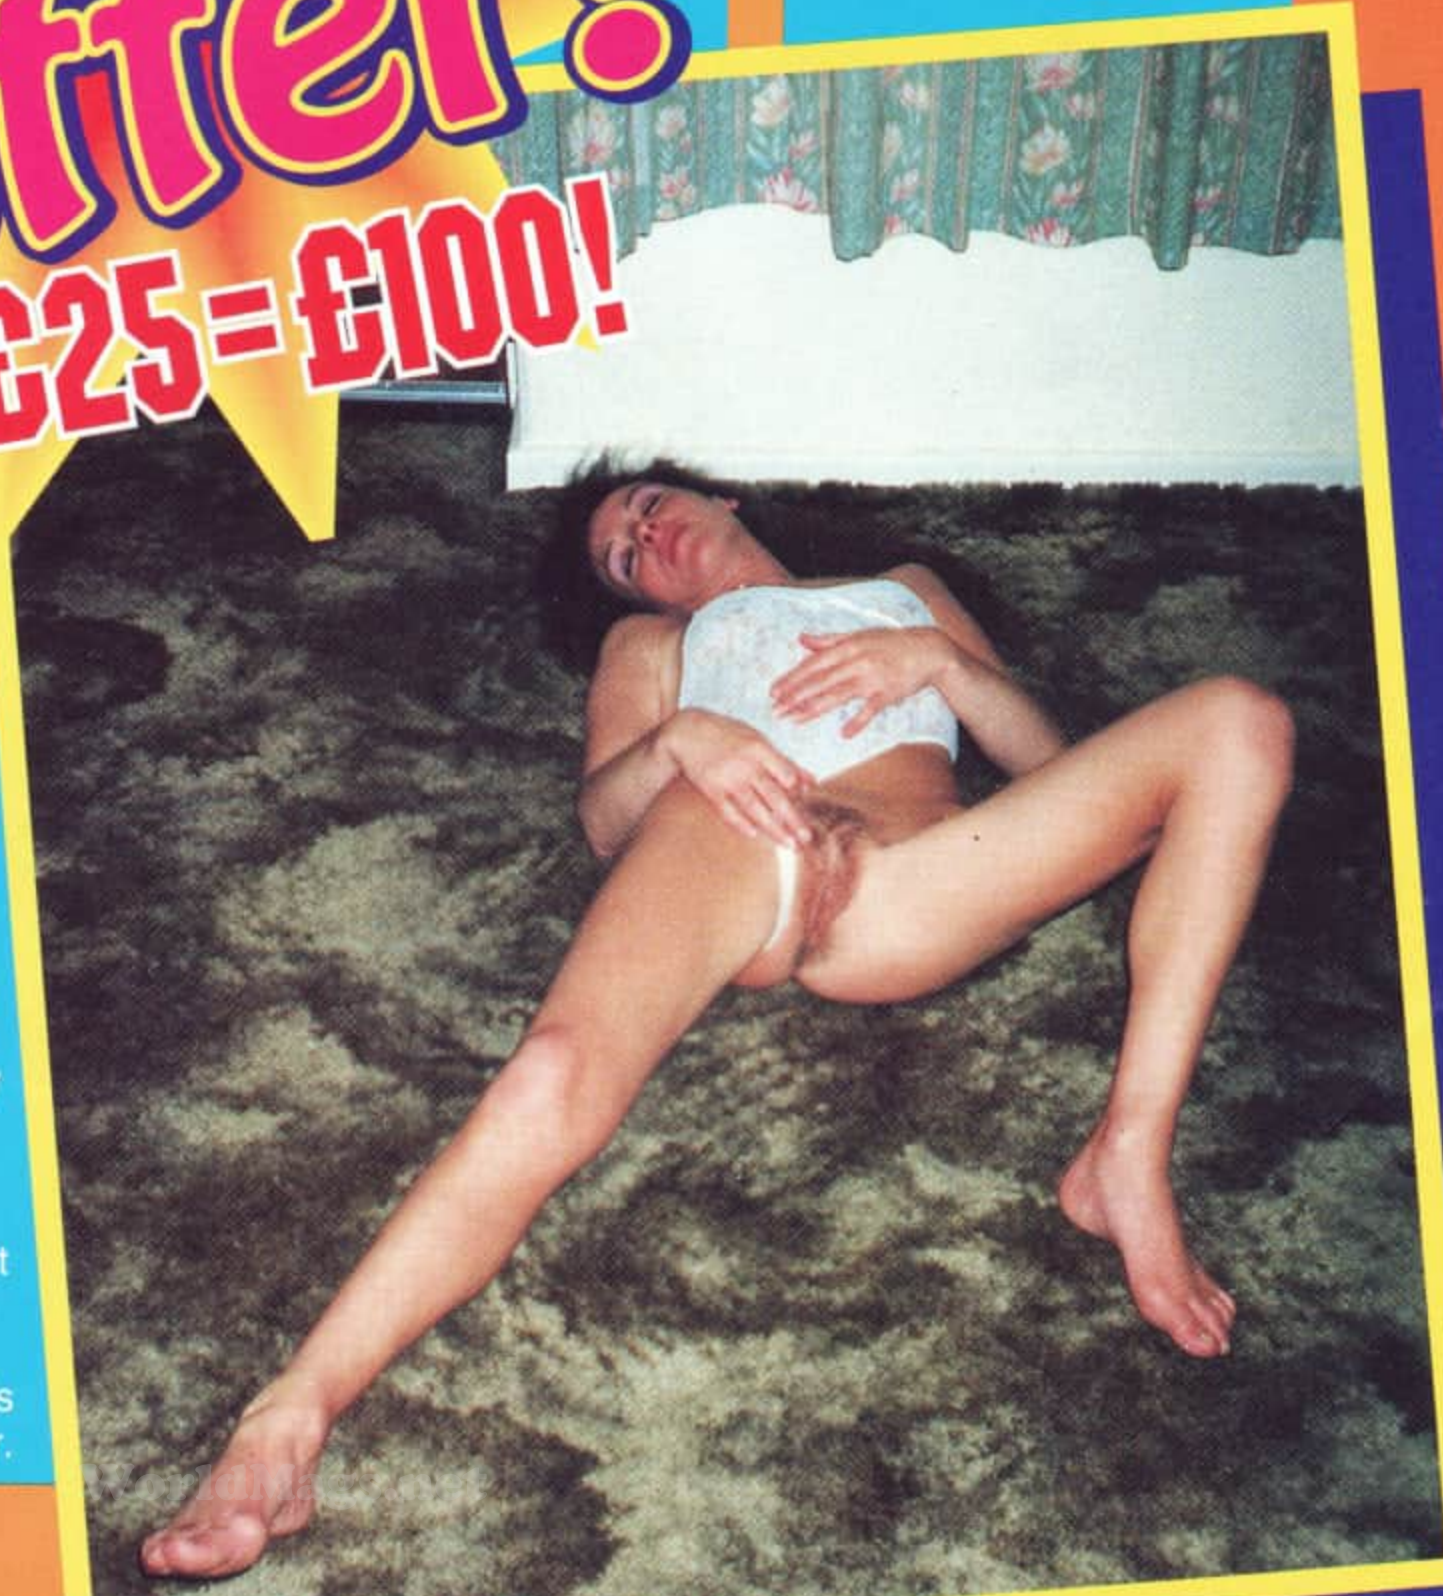

It was now my turn to come in her mouth and it wasn't long before I did. We all decided it had been fun and are eager to repeat the experience.

He had a rather large bulge in the front of his trousers from watching all the fucking on the video. **When he had left the room I gave Liz a cuddle and slipped a hand between her legs, she was dripping wet with love juices.** On the screen was a woman with two men who were giving her a right good seeing-to. I asked Liz if that's what she wanted, she just smiled and I knew that she'd accept if it was offered to her. When Paul came back Liz went to fix some more drinks and I told Paul that on her return he should follow my lead.

**SUE'S SHOW**

**M**y wife Sue is 5'1" and has a fantastic 34B-24-36 body. **My on-going fantasy is to show her to anyone, any time, any place, but she's shy and very reserved...** until she really knows someone, when she becomes very open.

One warm night night I noticed our next-door neighbour Rich sitting in his darkened kitchen using the telephone.

Our sliding glass doors face each other giving him a clear view of

our kitchen. I didn't pay him any attention until Sue came into the kitchen in a bath towel. For fun, I started slowly inching Sue's towel up her back to see how far I'd get before she stopped me. She told me the curtains were open. I told her Rich wasn't home and it was too hot to close the curtains. She took a step backwards, turned her back and wiggled her bum while opening her towel. My heart pounded and my cock was trying to break my zip. She continued her mock striptease, holding the towel open behind her and unknowingly exposing herself to Rich.

I stood watching and allowed her to continue as she let the towel fall to the floor. Running my hands over her naked body, **I softly pushed her to her knees as she undid my trousers, pulling my cock out, then teasing it's head with her tongue.** My knees immediately began shaking and my balls were quickly tightening in preparation to spunk. Wanting to wait, I picked her up putting her on

the kitchen counter and licked her cunt to the point where she almost

orgasmed, **I stepped away leaving her with open legs and telling her to play with herself.** Her hand was slashing in her slot

before I finished speaking. **Watching her fingers between her swollen lips and knowing Rich was watching again had me on the verge of spunking.**

When she began pump-

ing two fingers in her slot, I became desperate for relief. Again, picking her up and placing her on the floor between my legs pointing her bum directly at Rich, I began pulling her butt cheeks apart giving him an unobstructed view of her pussy. Through my partially open eyes **I was able to see Rich at the edge of his door making jerking movements, obviously wanking - wanking at the sight of my wife's exposed vagina.**

The thought drove me over the edge and I began shooting my seed in Sue's face while driving two fingers in her pussy.

I worried about him talking, but Rich was as friendly as ever, if not more so, and never gave indication that anything had occurred. I

began noticing Rich watching and paying

more attention to Sue. It made me feel oddly proud and **I began fantasising about him touching her up and fucking Sue. I couldn't get the thoughts out of my mind** and found myself in a constant state of arousal. Then, one afternoon while Rich was visiting,

"I KNOW ANOTHER MAN HAS BEEN HERE, DEBBIE. WHAT DO YOU THINK I AM, STUPID?"

Sue asked him if he wanted to stay for dinner. It was an innocent invitation on her part but it gave me the opportunity to make the outcome fulfill my fantasies. Our kitchen experience was just the beginning. And until she reads this in *Escort*, Sue doesn't know that she put on a show for Rich and Rich doesn't know I know he watched. I'm hoping she'll get bolder and allow me to send photos showing her face with her account of that dinner and her first threesome. *J.B., Norwich*

## GOOD NEIGHBOUR

One day while Wendy was sunbathing in our back garden she got talking to our neighbour's 16-year-old son across the fence. It turned out he had a keen interest in photography and, to cut a long story short, asked my wife if she would pose nude for him. Being very broadminded she said she would and as I'm sure you will agree the results are not too bad. **He sometimes gets to feel Wendy's tits and if he asks very nicely she sometimes gives him a quick hand job.** Wendy is 42, and her measurements are 38-25-36. *John and Wendy Telford*

**Sue, a 28-year-old hairdresser, admits to a day of wild sexual frenzy, girl-girl masturbation, and pube-shaving – all in her own salon!**

**O**ur overalls are nicer than the ones the supermarket girls wear, but basically they're the same,' says Sue, a hairdresser from Essex. 'I often don't change out of mine until I get home and when my boyfriend Stuart realised I only wore a bra and panties underneath it on hot days, it started giving him ideas. I finally agreed to go to work in it and leave my bra off, but I don't think any of the clients noticed.'

'It took a lot more persuading from him before I'd leave my knickers off as well, and I only did it because the idea gave Stuart a big kick and he

through my overall, but no-one seemed to notice. I was quite disappointed, and I was looking forward to Stuart popping in for a quick trim as promised to see if I'd bottled out.

'It was our quiet day and there were only two of us in the salon, but Sheila, the other hairdresser, had someone in the next chair, so I had to be very careful with all those mirrors around. I managed to give Stuart a flash of tit and an even quicker one of bush and he sneaked a hand between

my buttons to feel. He gave my hairy bulge a squeeze that

realised how clearly my swollen nipples showed through the material. His elbow was in the perfect position, and I pressed my crotch against it and pretended all the bumping and grinding was caused by the energetic way I was washing his hair. But I gave myself away by not backing off when he returned the pressure, and he pushed his elbow into my groin and circled it around.

'I decided I might as well relax and enjoy it, and the next thing I remember is being brought out of my trance by a splutter that it was getting a bit hot! I didn't notice until I reached for the tap that he'd got his arm out from under the sheet. It was such a gradual process that I hadn't noticed that the tip of his elbow was between my buttons and touch-

ing my naked pussy, though I had parted my legs a bit

wanted to think about it at work. I meant to put some on when I got to the salon, but somehow I didn't get round to it, and I got such a thrill out of being stark naked under my overall that I put up very little resistance when he suggested that I wore a suspender belt and stockings next time. My suspender clips showed

sent a wicked shiver through me, then put his hand back under the sheet to adjust his hard-on, leaving me with a hot and throbbing pussy. I could have controlled myself if my next customer had been repulsive, but he wasn't. He was a good-looking guy in a

t-shirt and jeans, and Sheila settled it by finishing her client, then disappearing into the back room for a coffee.

when I felt something pressing between my thighs. I jerked away from him and cringed at the thought of the damp patch on his elbow, and he raised his head and smiled at me as he wiped his eyes.

'I quickly threw a towel over his hair and began to dry it vigorously, and then I felt something different – he'd crossed his arms and was groping for the gap between my buttons with his hand. He found it, and I stiffened as his fingers fluttered around my thighs and slithered upwards. They reached my crotch and began to probe between my wet and swollen pussy lips and I gasped as a couple of them slipped right up me. I had to look down to confirm that a complete stranger was really feeling me up in

**"The tip of his elbow was between the buttons of my overall and actually touching my naked pussy"**

the salon and I drew the sheet over his wrist and pressed closer. The thought that another client could walk in at any moment, or Sheila might appear only seemed to make it more exciting and I pushed myself against his hand to encourage him to ream me harder while I towelled his hair.

'My client wanted his hair washed, and I quickly shoved his head into the basin as I saw my reflection and

'My tits were heaving around under my overall, and the strain was too much for one of my buttons which suddenly pinged onto the floor and rolled away. By this time the guy's eyes were uncovered, and when he turned his head to see what had made the noise by his ear, he found himself staring straight into my wobbling cleavage. Before I knew what was happening, he pressed his face into it and I was tugging my overall aside and scooping out a tit to steer its tingling nipple into his open mouth. Even the sight of us in the mirror wasn't enough to make me call a halt – you'd have thought the fact that he'd got his cock out under the sheet and was wanking himself with his other hand would have made me come to my senses, but it didn't.

! I had the sudden urge to see what he had hold of under there, and he sucked harder on his mouthful of nipple as I lifted the sheet for a look. I caught a glimpse of a fat mauve knob peeping from between his fingers before he covered it up, and I eased my wet tit away from his mouth and slipped it back inside my overall as I leaned forward and reached under the sheet for a feel. He had a lovely thick cock that felt like a shaft of solid muscle, and I gave it squeeze and started pumping at it. I was in the sort of sexual frenzy where you don't care about anything else, and I was getting dangerously close to whipping the sheet off and sitting on his lap when he levered my fingers apart and took over. I got my tit out again and offered it to his mouth, and when he started sucking, I put my arm around his neck and let it happen.

'I was swivelling my hips and thrusting my pelvis so urgently that I was fucking myself with his fingers rather than the other way around, and my clit was bumping against the heel of his hand and adding to the sensations. Between gasps, I could hear the noise of my wet pussy, and I obviously wasn't the only one getting carried away because few moments later he grunted and hunched forward. I realised he was coming, and I desperately grabbed his wrist and clamped my thighs together on his hand, finishing myself off with a furious burst of humping that left me collapsing onto his shoulder as I

**"I** am 37 years old, and live in the sticks, so I don't have near neighbours and haven't had any sex worthy of the name for a couple of years before this. Greg, a single man a few years older than me, has always been friendly and obviously fancies me. He used to come round, asking if he could wash my windows, or help in the garden. Thinking that he just wanted company, I used to invite him in. He would sit staring at my breasts, barely listening to my attempts at conversation. After a while, he became a real pest, always popping round, practically begging for chores, even offering

to clean my shoes!! I decided to teach him a lesson and told him he could pop round next day and I'd find him something to do.

Thinking that at least it would liven up my day, I took my time getting dressed – if 'dressed' is the word, I laced myself into a stiff satin basque which squeezed my tits right up and offered out my nipples. I rolled on

Stepping away from him, I ordered him to strip. I wondered what I'd do if he refused but he did it immediately, and I was surprised at how hard and lean his pale

leather. Feeling the pressure on my toes sending jolts of pleasure up my legs, I pinched my nipples to increase the sensation. "That's enough!" I commanded, "Move up my legs. Lick me!" I sat

in a chair and splayed my legs as Greg snaked his tongue over my sheer stockings up to the flesh of my thighs. Looking up at me, he asked, "shall I carry on?" "Don't you dare to stop," I gasped. His hot tongue flickered

Getting quite excited at what lay in store, I was relieved to hear the doorbell and tottered down the stairs, my heart pounding.

Swinging the door open, and standing with legs spread I snapped, "You're four minutes late!" Greg's gobsmacked face was priceless. I ordered him to 'get inside', slamming the door behind him. Greg started to say something,

**"With a twitch of his cock, he got down on his knees and ran his tongue in long strokes over my red shoes"**

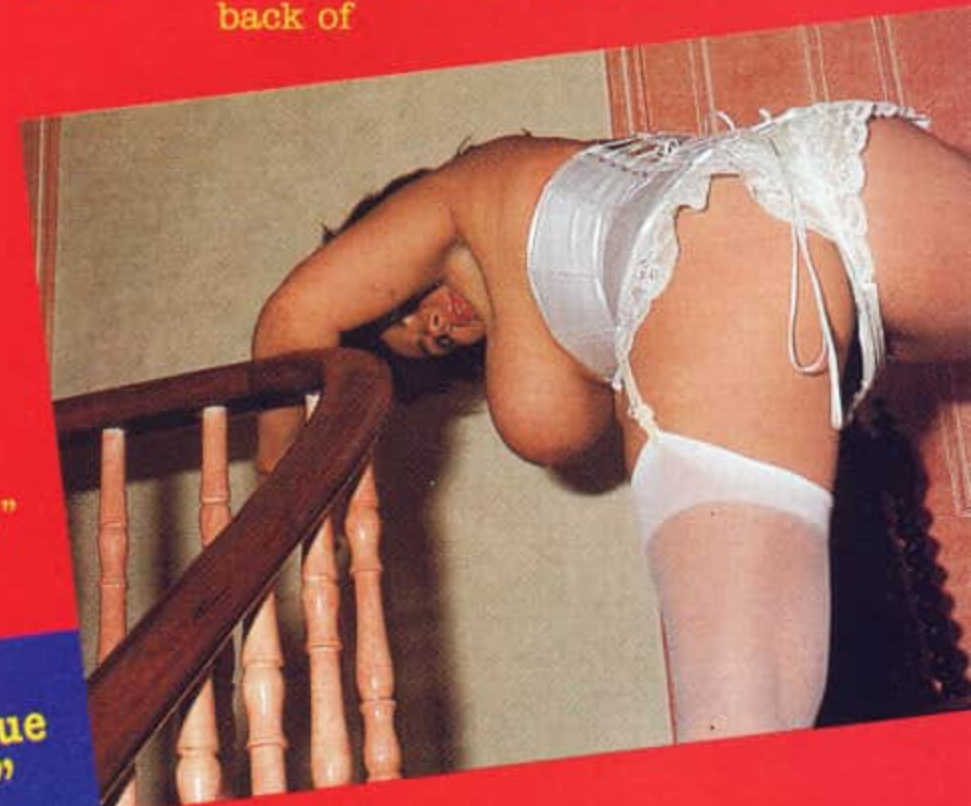

but I told him to shut up and behave. He reached out to touch me, "Don't

While he neatly folded his clothes as I had told him to, I watched his long dick rise up, quivering. I felt the creamy tingle in my pussy, and it took quite an effort not to grab his twitching cock and sit on it.

"You wanted to clean my shoes," I said, "so get over here and do it –

his head, I pulled him right into my pussy, thrusting my clit against his lapping tongue. "Use your thumbs on me!" I cried, and as he probed deep into my cunt with both his teasing thumbs I

hand, began to whack off. "Stop that!" I said, "I'm not finished yet." Standing up, I bent over a chair, my arse wig-

gling in the air. I told him to stand behind me, thinking that he was going to spunk all over my cheeks there and then. "You'd better not come before me!" I warned, guiding that lovely long cock between my swollen sticky lips.

Telling Greg how fast and hard to fuck me, I pumped my backside against him, my cunt tightening with every deep stroke. As Greg clutched my hips, bucking faster, I reached down to rub my clittie. Panting at him not to come yet, I was swamped by another violent orgasm, finally allowing him to jerk his lot deep inside me.

To tell the truth, I didn't know I had such a bossy streak, but now I've found such a good use for it, neither Greg or me are complaining! *Gina B., Suffolk* **E**

## BROTHERLY LOVE

I thought I'd write and let you know about my wife's birthday treat. My wife Angie's constantly kinky and has always wanted to

upstairs changing, John and I stripped down to our boxer shorts. Angie returned wearing stockings, basque and boots with her tits and fanny on full view. She sat on the couch with her legs apart and John and I sat either side of her and began teasing her with our fingers and

her tits, I was down on her button nibbling away until she was screaming that she was coming again. John then fucked her once more before we all collapsed exhausted on the floor. Happy birthday Angie, John and I will take you on again anytime! K.F., Cardiff

## CANDY TRUCKS

It wasn't until my photo in *Escort* that my fantasy finally became reality.

One night our car broke down and a man in a lorry stopped and offered us a lift. The lorry only had two seats and a sleeping compartment in the cab so I sat on the bed and my hubby sat in the front. It was a very bumpy ride and it wasn't long before I was feeling horny as my pussy kept banging against the bed. I had my white pleated skirt on so I was soon rubbing my clit. I could see the lorry driver watching me in his mirror so I pulled up my top and took my tits out. I asked Marc my husband to come and give me a hand so he climbed into the back and removed my top and bra completely. He started to suck on my breast while I slipped my hand into my knickers. Paul, the driver couldn't wait to join in and as he tried to find a place to park I wanked myself off with two fingers up my cunt. By the time Paul had parked, Marc released his very hard cock and positioned him-

be fucked my me and my brother. Recently her dream came true. I'd arranged for John to come round one evening, we had drunk plenty of wine when Angie decided to slip into something more comfortable. While she was

before long she was open and very wet.

John started sucking her button as I sucked on her nipples. We then moved onto the rug, John

was licking her cunt, she was moaning like crazy and seconds later she was coming. I then shoved my cock up her and I could feel love juices trickling down my cock and onto my balls. John was having his cock sucked as I continued

to fuck my wife hard and fast until I withdrew and spunked all over her tits at the same time as John came in her mouth. He was rubbing

"NEVER MIND WHAT I'M DOING HERE! WHAT THE HELL ARE YOU DOING HERE NORMAN!?"

self in the corner of the cab so I could suck him off. As I took Marc's cock into my mouth, Paul lifted my skirt and pulled my knickers down.

**Paul's fingers slipped up my cunt at the same time as Marc's prick started to twitch. Marc pulled out of my mouth and sprayed come all over my face.** I turned around and started to feed Paul's cock into my mouth and sucked and licked up and down his shaft. By now Marc was hard again and he licked my pussy. After a few minutes he stopped and pushed his prick up my cunt. As he pumped faster

I could feel Paul's prick start to swell. Marc was speeding up and I felt my pussy explode with hot juice at the same time as Paul shot his load deep into my throat.

After a brief rest, we cleaned up and got dressed. Paul drove us home and now every time I see a lorry I think of *Escort! Candy, Surrey*

# The Very Best Of British!

**British Hardcore Sex Videos That Prove: We DO IT Better!**

B.o.B.V. Sales, 14 Bourne Road, Bexley, Kent DA5 1LU

**Shot entirely by Camcorder-wielding British Amateurs  
-for You to See Absolutely Everything!**

## British Teenagers - £19.95

This video features only girls aged 16 and over. Girls aged under 18 appear with written parental consent. If you enjoy young beauties, I can certainly recommend you to this highly desirable video. You'll only see teenage girls. There is really something about teenage girls, isn't there? Their skin is so fresh, their eyes so clear and their bosoms, well, their bosoms come in all shapes and sizes. Some of these girls have small pert tits, a few are still under-developed, others have healthy looking firm boobs and some have huge, full bosoms.

This video is chock-a-block full of British teenagers, from all four nations. We have blondes, brunettes and a red-head. Some pose alone, stripping and playing with themselves. Others pose shyly with men. Others dress in school uniform and show themselves to you, then they strip, then their lovers take them and we watch these exquisite British teenagers being shagged. It's high charged erotic viewing.

If you love young girls in their first flush of love and lust, this is essential viewing. The girls are all wonderful and the good news is we have three more volumes of this series to be released in the next twelve months or so.

British Teenagers are the sexiest bunch of teenagers around. Some are shy, others are almost (they admit) addicted to sex. What they are prepared to do is astonishing. To look at them you'd think that butter wouldn't melt in their mouths, but it is close.

This video has something for everybody who is a fan of British teenage girls. Strip scenes and sex scenes,

innocent looking girls, teeny girls who look so downright sexy and dirty that you won't believe it. This video is highly recommended to everyone.

The teenage girls who appear on it are not models. They are normal teenage girls, the type you see on the train, on the check-out till (one works on the till at a nationwide supermarket chain - check her out - she works at the branch in Lincoln). They're office juniors, they're sales assistants in clothes shops, they're the youth of Britain. They're sexy and you'll go wild for them. Yes, they are so vibrant, so sexy, so pure, they are almost worth dying for.

## British Couples - £19.95

Since it was first released in the autumn of 1992, this has been our number one best selling video.

Why? The reason is simple. It is chock-a-block full of different British couples enjoying their nookie quota. Few things are free in this debt-ridden

Great Britain of the 1990s. One thing is still good though - f\*\*king!

Sex is free. Sex is good. Sex is natural and good sex is a delight to watch - as I'm 100% sure you'll agree.

This sampler video features loads of British couples getting their kicks for free, by screwing for your viewing entertainment. What type of girls or women do you fancy? It doesn't really matter, because on this video there's something for everyone.

This video has older women, it has sexy teenage girls, it has women in their teens, twenties, thirties, forties,

fifties and sixties. It has straight sex, it has kinky sex. It has group scenes, lesbo scenes, school uniforms, nurses uniforms, directoire knickers, knee socks, stockings, super sexy lingerie, vibrators, dildoes, tennis rackets, rude food and fetish acts - a little bit of everything and a lot of hornyness. White girls, black girls, even an indian girl and a chinese lady.

This is quite often the first video that people buy from us. Then they complain! They say 'there wasn't enough of Sarah and Robert' or 'Tut, haven't you got any more of Betty, Brian and Doug?' Well... yes of course we have - we've more of everything.

So, if your idea of good viewing is a roller-coaster ride through many of our British couples then you need this desire. Don't just dream about watching a load of British sex addicts doing it. Watch them in confidential close-up action. Draw the curtains, put the video tape into the machine, press the play button and then ... Who says Fantasyland doesn't truly exist. These are genuine 'normal' British couples, the types you see at the local shopping mall or in the queue at the cinema or playing with their kids in the park on a Sunday morning. Only in this video, you see them as nature intended: enjoying each other. It is the most eye opening hour of sex you might ever see. It has it all and it's 100% British and 100% full of amateur sex participants (teenagers to grannies).

## Older Women Volume 1 - £19.95

This is the first of our Older Women video series. If you get this one and enjoy it (which you will, I promise) then your luck is in. There are three more volumes available for you to feast your eyes upon.

Volume 1 is considered a collector's item by many of our clients. It is simply amazing. It is stunningly erotic. If you like older women, that is.

This video features only women aged 48 years and over. There are ladies in their forties, ladies in their fifties and even ladies in their sixties. They come in all shapes and sizes, some are fat, some are thin. Some have enormous ripe bosoms, others are skinny and as flat as a witch's tit.

From all around Britain (literally, Erica aged 55 sent her tape in from the Orkney Isles), we bring you the horniest grannies in Britain. All strip for you, all display their old fashioned underwear (some men find directiores very sexy, you know). There are support corsets, girdles and cross-your-heart bras and old fashioned stockings.

This video shows older woman after older woman.

Each one does her 'tum', to turn you on. It's an older woman sex-fans paradise, a Nirvana filled with mature sexy women all of whom want one thing and one thing only - to turn you on. They each have different methods to achieve this. Some stare provocatively straight at the camera, knowing their sexuality. Others are demure, shyly looking away. Others just want to mother you, still others merely want

to turn you on. They want to know that you're going to pull your trousers down because of the effect they have on you.

Enough talk. Now the action. Get this video and enjoy. I've decided that if you like older women, words cannot describe the thrills you're headed for, so I won't go on any longer.

## Young British Lesbians - £19.95

We weren't even sure if teenage lesbians existed, but they do. Wow, do they ever!!! One of the girls told me that Queen Victoria did not believe in lesbians. She couldn't comprehend what two girls could do to each other; that's why homosexuality is illegal to under 21s, but not lesbianism.

Well... after the shock of this video, if Queen Victoria was still around, we could certainly fill her in on what lesbianism is all about.

The girls on this video are all aged 18 or nineteen. They are either 100% lesbian or they swing both ways. They are the horniest bunch of teenage girls around. I've watched this video about fifty times in the last few weeks (yes, it is that good).

The idea of young girls indulging in full sex acts with other British young 18 or 19 year olds is a real turn on and seeing it in exact detail is a real kick.

The thing about the girls on this video is how normal they are. I've always had the idea that lesbians are shaven-headed boyish girls who wear Doctor Marten boots and act like men. Not these girls - these are normal everyday teenage girls, except that they get their sexual pleasures by performing with other girls. Sex is very important to teenage lesbians. Mary, who is 18 shows us just how much pleasure she can give her partner (19 year old Joanne) just by using her mouth. We watch in fascinated, baited-breath ecstasy as Joanne is giving a complete going over. Joanne practically purrs with contented bliss as her lover brings her to the threshold of pure delight again and again. Indeed, Joanne, is in a state of practical orgasmic heights for at least twelve minutes.

There're many lesbian (or bi-sexual) teenagers on this video, all are

British. They come from all around the country. Grantham, Cardiff, Fort William etc. These girls don't look like lesbians, but they are, as you'll see in graphic detail. Fresh faced & fruity. I don't know about you but that really does turn me on. Get this video and watch it in ultimate close-up as these teenage lesbians perform with each other. It has to be seen to be believed.

## BUSY LISA

**M**y name is Lisa and I have a very well-endowed husband called Dave. We've been together for about seven years now and during that time we've had some wild adventures. I've always

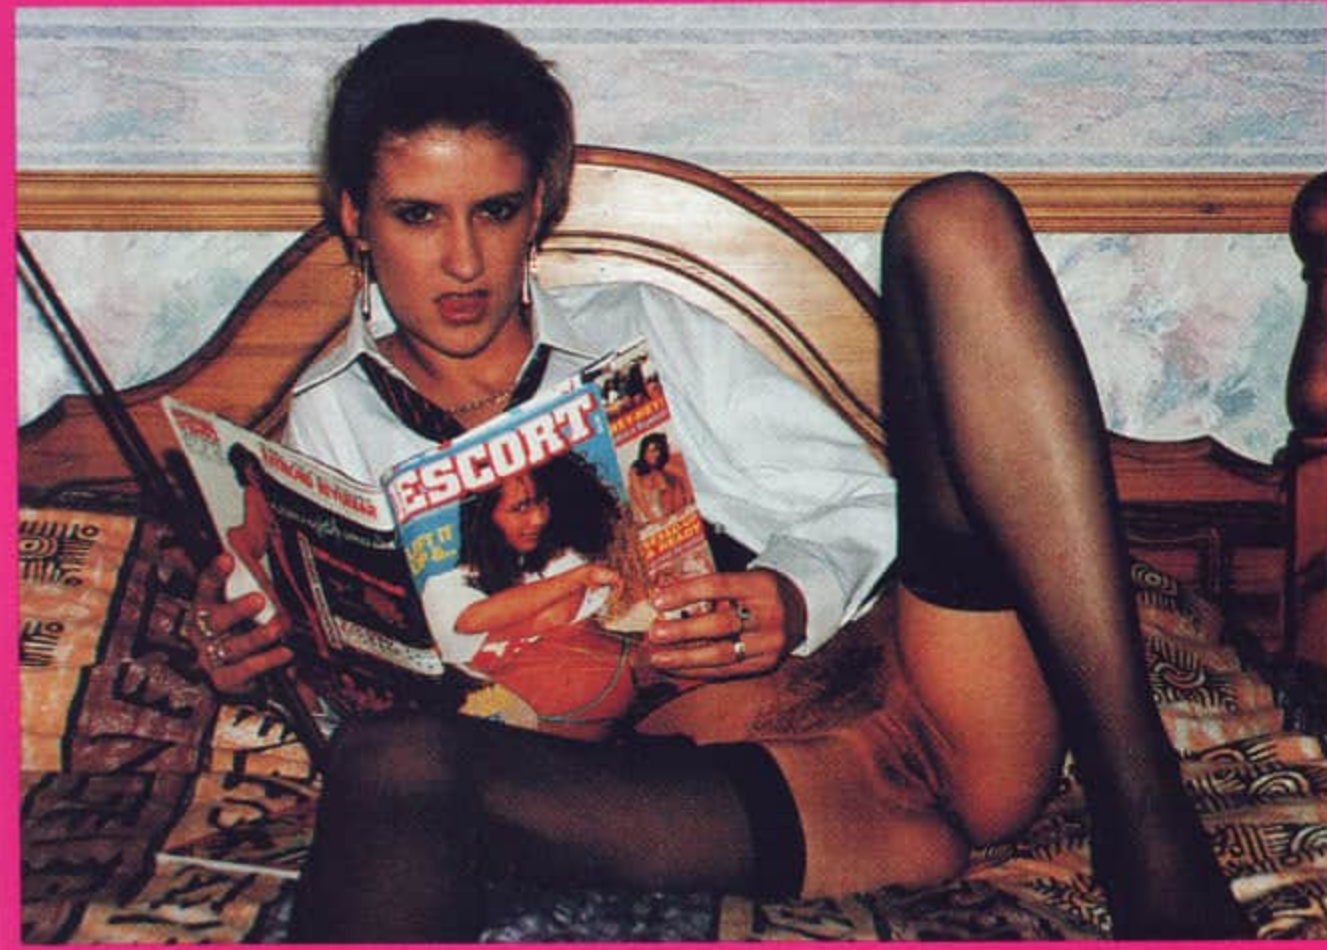

fantasied about extra large cocks. I'm going to share with you our first adventure of a foursome with me as the only female. It began on my 24th birthday when Dave had told me he had arranged a surprise for me: two well hung men were waiting in Birmingham for us. **My cunt was dripping during the drive into town while I tried to imagine how I was going to be used.** When we arrived at one of the guy's

houses we sat down and had a couple of drinks to relax. **I just couldn't stop playing with myself and it wasn't long before I had Dave's throbbing cock in my mouth and was sucking it deep into my throat.** I could feel Dave's cock twitching and I knew he was desperate to nail my wet cunt and watch two big cocks nailing me as well. Dave fucked me until I creamed his rigid cock with my cunt juice, he then

couple of minutes I was ready and more than willing to take the next guy's cock and while he gave me a good fucking I managed

to squeeze the remaining two cocks into my mouth. We then changed positions with me riding Dave's cock astride him on a chair while **one of our friends placed his thick, long cock up me along side Dave's and I was still able to suck and pump the third cock.**

pulled his cock from my cunt and offered it to my mouth. I was sucking his cock good and hard while he frigged my clit and our two friends went to work on my cunt and tits. **Dave was then holding my legs apart inviting one of the cocks to plunge deep into my aching cunt.** I took him right up to his balls and it wasn't long before he pulled out of me and pumped his pure white spunk all over my tits and stomach.

After a

I got totally used and I lost count of the number of times I creamed. We had a great time by all accounts and I've been taking monster cocks ever since. I've got many more experiences that I could tell you about if only I had the time!

Top model Eve Vorley has sensationally admitted that she has finally given in to temptation and made her very first Hardcore Porn Video. The Producer was unavailable for comment though a spokesman for the Video Production Company said: "It's the hottest video we've done, Eve not only has a superb body but her appetite for sex

**When Sandra, 24, from Orpington does the washing up, it's not just the dishes that get wet. 'I imagine two gorgeous men walking in and having me where I stand'**

**E**ver since I was made redundant, I've had energy to spare and it's made me incredibly randy. Sometimes I put on all the bedroom stuff that drives my boyfriend crazy — black lace, half-cut bra, black lace-topped stockings and suspenders and tight, black, crotchless knickers which leave a beard of pussy hair and, if I'm exceptionally randy, my wet pink fanny lips poking out the front (my boyfriend says I have the most suckable pussy lips of any girl he's known, but he might be prejudiced!)

'Then I move about the house, giving my tits and my clit little rubs and squeezes, imagining all the gorgeous things my boyfriend will do to me when he gets in. I like to get as close to my climax as I can, then stay

it and bring myself off, especially when I'm at the kitchen sink. We have rounded, rather cock-like knobs on our units and there's one by the sink

# my SEXUAL fantasy

that's just level with my clit if I go

right up on tip-toe, so I can rub myself against it and still leave my hands free.

That's where I have most of my unexpected cums, and when my fantasies get very disloyal!

'I imagine I'm standing there, lost in incredibly randy dreams, quietly masturbating myself on

'When he suddenly pulls back, we're both panting and his face is hot and excited. For a moment I can't understand why he's stopped. Then I look down.

'His pouch is bulging under enormous pressure. It's sticking up almost to his navel so his pubic hair is curling out either side.

'I gaze into his gorgeous, flushed, straining face. He has an expression of the most incredible desire. He's dying for me to touch him.

'I'm trembling as I slide the strings of his pouch down over his narrow, hard-fleshed hips, marvelling at how smooth and warm his skin feels. Then

**"I'm wearing crotchless knickers which leave my pussy hair, and if I'm randy, my wet pink fanny lips poking out the front"**

the plastic knob when I suddenly realise I'm not alone.

'I twist round abruptly and there he stands. Long blond hair, lean, tautly muscled body, wearing just a very full posing pouch.

'He moves closer. We're almost touching when he bends forward. I start

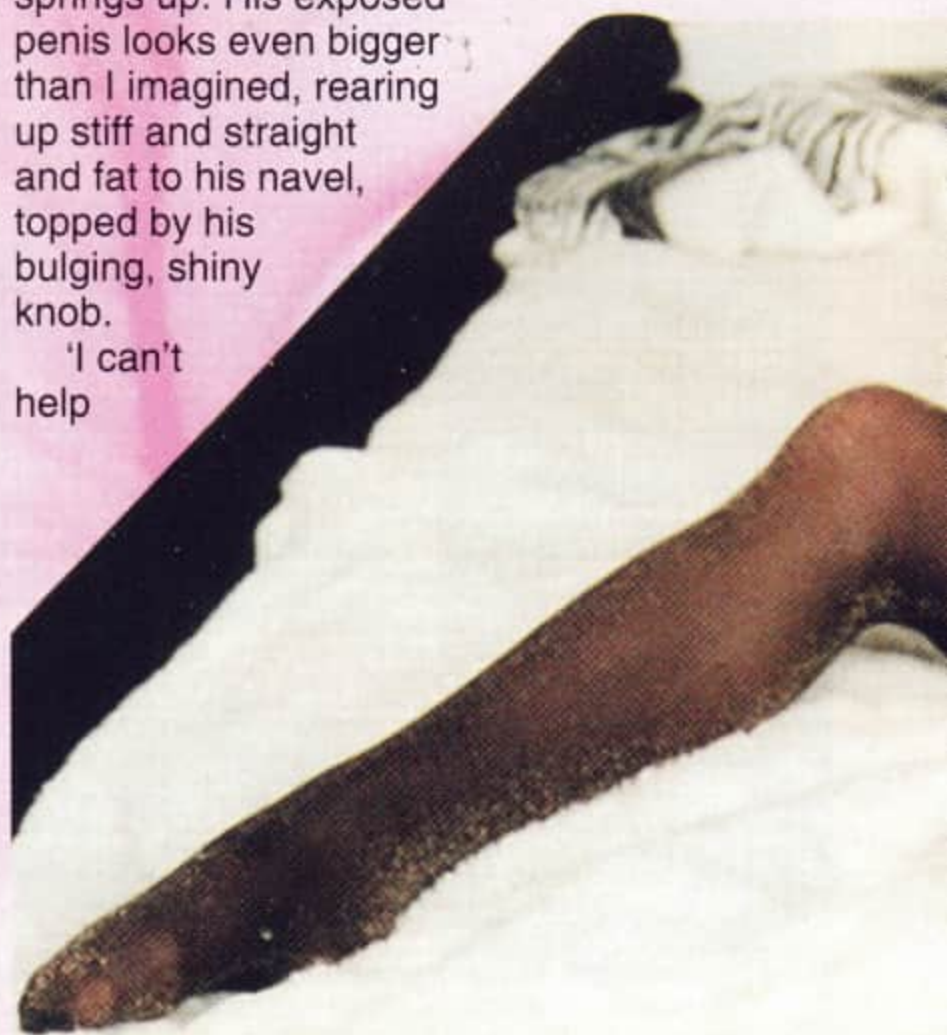

as his tongue slides over one hard nipple then the other. And he begins to lick and suck me in the most soft, loving, tantalisingly erotic way, curling his tongue round each nipple,

my breath catches as his pouch loosens and his stiffening cock springs up. His exposed penis looks even bigger than I imagined, rearing up stiff and straight and fat to his navel, topped by his bulging, shiny knob.

'I can't help

on the boil so it only takes a passionate snog and a fingerfuck, or preferably three or four hard cock thrusts to drive me squealing over the edge.

'Sometimes, though, I do misjudge

myself. My fingers dart out, glancing the incredibly hard, hot flesh. He grunts but doesn't stop me. Immediately I'm clutching him hard, pulling his throbbing prick-meat against the crotchless front of my knickers, pressing it hard into my pussy hair and the gaping, oozing slit of my fanny.

'I want to feel him there, to squeeze him into my aching hole, I want him to burst inside me...

'But, as I start to pant, he's sinking onto his knees, making me moan as he eases his swollen prick out of my fingers. Now his hands are sliding into the top of my knickers, smoothing them down over my thighs until the wet gusset unglues from my crotch and the knickers drop to my ankles.

'Just as I wonder what he's up to, he grips my hips, ducks his head and his tongue dives straight between my fanny lips. His nipple-licking was glorious, but this is sheer ecstasy. His lips and tongue seem everywhere at once, flickering up and down my labia, circling and teasing my clit, probing deep into my wet, pink tunnel.

'I can hardly stand. My fingers scrabble at his beautiful, thick, blond hair, grinding his face into my throbbing, tingling mound. But now he's moving again, kissing his way round my thigh, making me bend from the waist and stick up my bottom.

'Then I jerk in shock as his tongue worms its way up the crack of my bottom, teasing and licking. And then I get an even bigger shock.

'There's another man in the kitchen.

'He's dark and Latin with a wildly handsome face, dark, smouldering eyes and thick black hair curling down his neck. He's shorter and more muscular than the first one, but all he wears is a kind of loin cloth, a square of leather which doesn't even cover the tip of an even bigger cock than his friend's.

But I hardly get a glimpse because he immediately kneels in front of me, his hands

thighs just below the blond's.

'And suddenly they're both licking me, from front and back simultaneously, the blond's tongue working up and down my bottom crack, my Latin lover's tongue lashing my clit.

'It's too much. I'm panting like a runaway steam train. Fierce shudders are rippling up my body, front and back, merging into one enormous spasm, and then I squeal as it hap-

**"I move about the house, giving my clit rubs and squeezes, imagining what my boyfriend will do to me when he gets in"**

tightly clasping my

pens. My whole body is jerking and sparking as I come and come and come again as they each give final, teasing, breath-snatching licks.

'Then they're lowering me gently to the floor, laying me out as I twitch and wince with the last, gorgeous cum spasms until I sink into a deep and satisfied sleep.

'Of course, when I wake up, both my phantom lovers have vanished and my randy boyfriend is standing over me, unzipping his trousers and releasing his hard-on, ready to fuck me senseless!'

shuddered from head to foot and my legs gave way. I pulled away from him and leaned against the worktop to get my breath, and then I gave him a handful of tissues to clean himself up.

'He was even more embarrassed about the whole thing that I was, and he didn't wait for his haircut. He just muttered that he'd come back another time and left. I threw the sticky sheet into the laundry bin and thanked my lucky stars that no-one had walked in on us. It wasn't till we were closing the salon at the end of the day that I found out that Sheila had not only walked in on us, but

and shaving brush out of the bag, and I took a deep breath and leaned over to look. "It's fine at first," she said, "but it doesn't half itch when it starts growing back!" And that's what it was all about – her slit was surrounded by little bristles, and she was due for another shave!

'While she lathered herself, she explained she'd originally done it to please her husband, but she'd got an unexpected bonus in the form of the first

chair wife Sheila snipped at my pubic curls with the scissors – especially when she told me to spread the cheeks of my bum to get at the most intimate wisps. I had several reasons to tremble – the scissors were cold, I was trying to keep the lid on my arousal, and Sheila had just recovered from an orgasm so her hands were shaking. She promised she'd be as steady as a rock when she switched to the razor, and I closed my

orgasm she'd ever had from a straight-forward fuck. I could understand that because it often seems to be the bumping and grinding against my clit that brings me off rather than the cock sliding in and out of me, and I asked her if she'd shave mine off after she did her own. When she'd finished, she climbed onto the worktop and squatted over the basin to rinse the lather off. She said it was all my fault for putting on such a horny show, and I didn't realise what else she was doing until I saw her head tip back and her hips begin to wriggle.

'She was spreading her pussy lips and directing a powerful needle-spray of water from one of the hose-taps between them and I caught a glimpse of her dark pink and swollen clitty as her finger began

eyes and tried to think of something else as she began to soap my crotch with her shaving brush.

'Somehow it kept straying between my pussy lips and wriggling around as if it was trying to widen the gap, and it made me jolt by slithering between and flicking my clit. I forced my eyelids apart and peered at Sheila, and she smiled at me and quite deliberately did it again. She told me she couldn't resist it as my clit was peeping out at her, and I groaned with lust as my pelvis jerked upwards. I hadn't meant to do it, but Sheila assumed it was an invitation and gave me a lingering upward stroke from the crevice of my bum up nearly to my clit, where she stopped and returned for another pass. A few more had my cheeks and thigh muscles clenching as my body arched towards her. She teased me by asking me what I wanted her to do, but there was no way I could put it into words, so I just moaned and shoved my red soapy pussy out at her.

'She said she'd never done this to

had stood in the doorway watching me bring myself off on a customer's hand while he sucked my tits and wanked himself. I was appalled, but she said we all had our little secrets and I'd find out what hers was if I hung around because it was time she did something with her itchy pussy. With that, she spread a towel out a chair and hauled her overall up to her waist, then she slipped her panties off and sat down with her knees

to slide up and down beside it. My pussy had been aching for more since that morning and now she was turning me on again in sympathy. I couldn't just stand and watch her enjoying the feeling of that needling spray on her clit, so I joked that I'd always meant to try it and made for the next basin.

'By the time Sheila snapped her legs together and shuddered into orgasm, my sensitised nerve endings were react-

up and her feet resting on the worktop.

'Her thigh was hiding her crotch, and she took out this little bag. Oh shit, I thought, she's got a vibrator or something in there, and she's going to fuck herself with it right in front of me. I was about to retreat when she took a razor

ing to the stinging jets of water playing on them. I'd also managed to soak the back of my overall, and there wasn't much point in putting another one on.

'It felt really weird a few moments later to be sitting there with my splayed-out legs hooked over the arms of the

anybody other than herself, so I'd have to tell her if she was doing it right. I just wanted her to stop talking and get on with it. The shaving brush began to swish gently up and down between my lips, getting closer and closer to my clit and finally touching it, and I gasped "Oh yes" to let her know I liked it.

'As she stroked and rubbed and flicked, I gradually slid further down in the chair and raised my knees higher until I had to hook my arms under my thighs to hold them up, and my aching, burning pussy must have been gaping wide open at her. She experimented by slipping a finger up it, and when I moaned louder, she added another and another until I was at full stretch and she was shafting me with her hand while she brushed my clitoris. When I climaxed, the sensations were so violent, they were almost painful, and it was several minutes before I stopped shaking long enough for her to shave me.

'She eased the embarrassment afterwards by giggling that I could do the same for her next week, and we agreed that it would be our own little secret. But my bare pussy couldn't be a secret from a boyfriend who'd been nursing a hard-on for most of the afternoon, and he leapt on me as soon as he got home from work.

'I don't know whether my third explosive orgasm of the day was due to the lack of padding, or to the randy state I was in, but one thing's for sure - Sheila's right about it itching when your pubes start growing back!'

## ROCKING WITH NICKY

Last Sunday was warm so we drove down to Porthcawl which has some lovely quiet beaches. Nicky was dressed, or rather undressed, to kill. All she had on was one of my white shirts, which was just about long enough to cover her white g-string panties and a pair of white high heels. **Nicky was fingering herself all the way down to the beach so I decided to prolong her excitement** by stopping for

lunch on the way. The pub was busy and noisy, although it did go quiet when Nicky walked through the door! **It was hard enough trying to keep her panties covered when she was standing up – sitting down she had no chance!** She attracted plenty of appreciative stares while we ate our meal, and when I popped to the loo, two lads slipped her their phone numbers. As a little treat for them before we left Nicky went to the toilet and removed her panties.

When she returned she sat on a stool at the bar and we chatted with the barmaid behind the bar for a few minutes until we were ready to leave. The pub was much quieter now and Nicky slowly turned to face the two lads, undid the bot-

tom two buttons on the shirt and spread her legs wide. As far as the two lads were concerned she was naked from the waist down.

**Nicky gently fingered her moist pink slit in full view of the two lads and anybody else who was looking.**

When we left, the two lads (Gary and Steve as we later discovered), followed us out. We got chatting and explained we were going to take some photos to send to *Escort* and they asked if

they could come along and watch us take some. Nicky had no objections, so they followed us in their van.

**Nicky was so excited by now that she had her shirt wide open and her fingers up her cunt for the rest of the journey.**

We quickly found a secluded spot by a nice rock pool and Nicky stripped off her shirt and shoes and posed in and around the pool while I took the photos.

I asked Nicky if she would like Gary or Steve to pose with her. Both! was her answer and they removed their clothes and joined her by the pool.

The posing didn't last long, Nicky soon had Gary's cock in her mouth while Steve rammed his up her cunt. In our two hours on the beach, we all took Nicky numerous times and when we spotted a few people on the

beach we returned to Steve's van and continued where we'd left off. I drove the car home alone while Gary gave Nicky 'one for the road' in the back of the van as Steve drove her back to our house. **What a sight she made as she stumbled from the back of the van – barefoot, no panties, cum running down her legs, sweaty hair plastered to her face!** Nicky says it's her ultimate sexual experience so far and we hope you like the photos we took on the day. K. & Nicky, Gwent

## MOOR SUZY

**M**y wife Suzy loves being naked, especially wandering outdoors on Dartmoor. As we live in Plymouth, it's off to the moor most weekends to see how far my sexy wife can walk nude

before encountering other walkers. It's interesting seeing their reactions as she walks by with a smile.

Sometimes she'll do her aerobic routine (she's an instructor at a fitness centre), as I take photos. She put on a really good show for a couple of men we

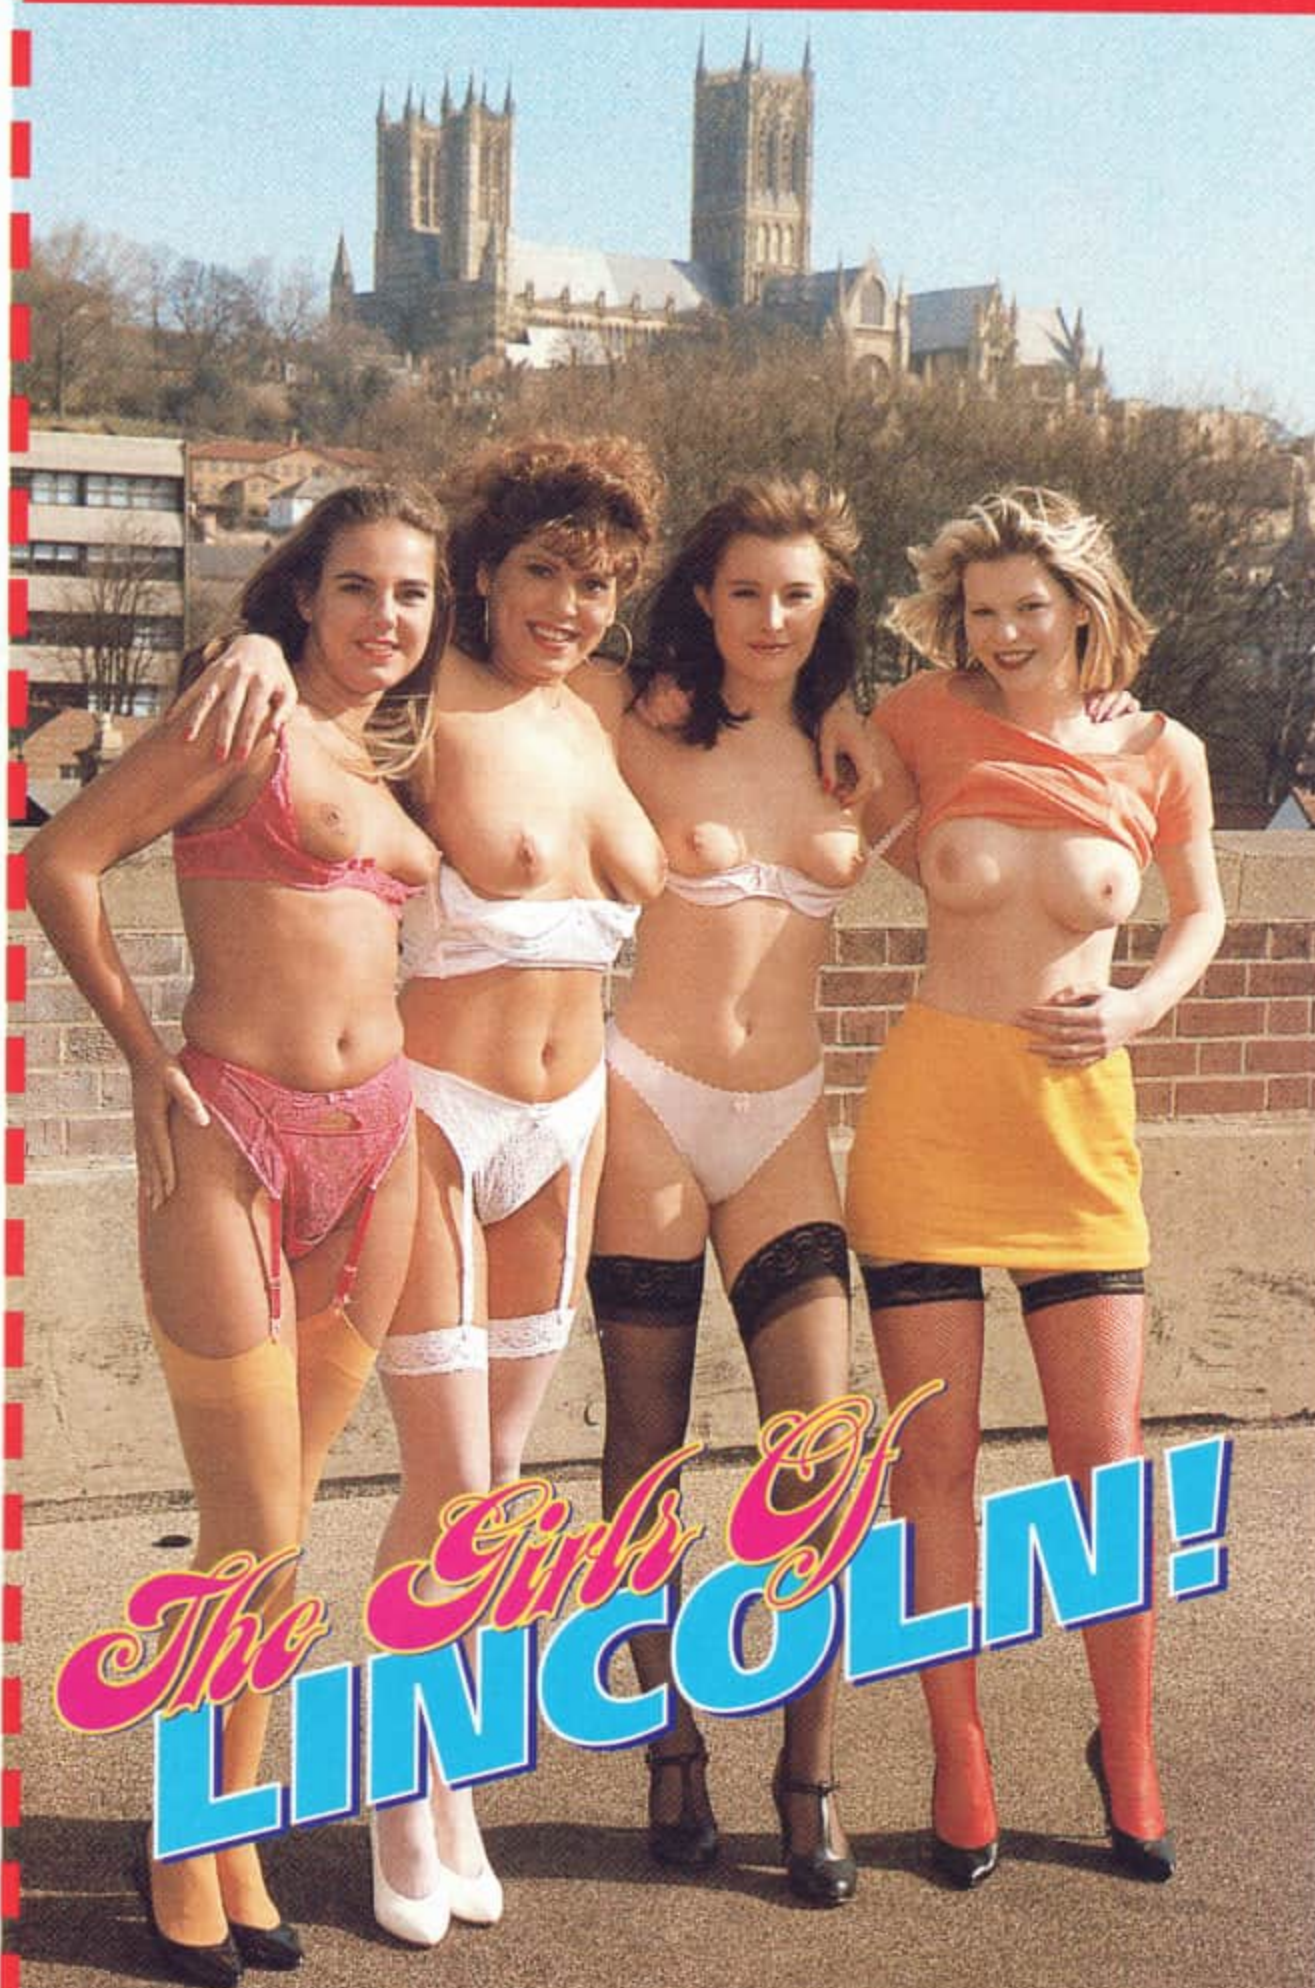

saw hiding in some rocks watching us through binoculars. The thought of them watching and wanking over her really turned her on and we had a great open-air fuck afterwards

I'm in the Navy and have just come back from six months in the Adriatic and while I've been away she shaved her lovely cunt as a surprise for me – you can see the result in these photos. She likes to read in the mag whether the readers prefer her hairy or bare!!! Mr & Mrs G., Plymouth
